CENTRAL SPONSORED SCHEME FOR PROVIDING QUALITY EDUCATION IN MADRASA

SPQEM

Quality Education • Equal Opportunity • A Brighter Future

WHAT IS SPQEM?

SPQEM (Scheme for Providing Quality Education in Madrasa) is a Central Sponsored Scheme by the Government of India, Ministry of Minority Affairs, to provide modern, quality and inclusive education in recognized madrasas, ensuring students from the minority community gain both religious and contemporary education for a brighter future.

OBJECTIVES

- ✓ To provide quality education in Madrasa institutions like modern subjects alongside traditional learning.
- ✓ To upgrade infrastructure and learning resources in madrasas.
- ✓ To empower minority students with skills, knowledge and opportunities for higher education and employment.
- ✓ To promote inclusivity, equality and social harmony through education.

KEY FEATURES

Modern & Traditional Education

Qualified Teachers & Better Learning Resources

Focus on Science, Mathematics, Languages, Computer Skills and Life Skills

Holistic Development for a Stronger Community

Supported by Government of India – Ministry of Minority Affairs

ELIGIBILITY

Recognized Madrasa institutions and students from the minority community, as per the guidelines of the scheme, are eligible for the benefits of SPQEM.

*“Education
